for Priests and Seminarians

Monday November 17<sup>th</sup> to Saturday  
November 22<sup>nd</sup>, 2014

## The Corpus Christi Movement

Is an International Movement for diocesan priests founded by Blessed Mother Teresa of Calcutta which received the blessing of the Holy Father, Saint Pope John Paul II.

It seeks to foster priestly holiness and the spiritual renewal of the Church. Brother priests are invited to share spiritually in the charism and spirit given by God to the universal Church through Mother Teresa of Calcutta and the Missionaries of Charity. This is to be lived in the context of one's own priestly ministry and vocation.

The "simple way" is fostered specially by:

- The daily celebration of the Eucharist and prayer in Eucharistic Adoration
- Having a special closeness to Our Lady, Mother of the Church and Mother of priests
- Supporting each other as brother priests, one-to-one or in small groups for PRAYER and FRATERNITY – retreats or seminars.

One of Blessed Mother Teresa's last wishes was the propagation of the Corpus Christi Movement. On her own words: « This comes directly from the Heart of Jesus » She spoke about it as: «this simple way will help the priests to grow in holiness by living the priesthood to the full » in one's own priestly ministry and vocation.
