Dear Father,

On behalf of the Corpus Christi Movement for Priests, founded by Mother Teresa, I would like to invite you to a workshop for priests in Los Angeles (California) this February (2014). Fr. David Keuter, OMV, will lead our workshop on the following topics:

- **Dynamics of the Spiritual Exercises** of St. Ignatius: the structure of the Exercises and the graces expected from each Exercise.
- **Discernment of Spirits**: an introduction to the theme of discernment in general.
- **Nature of Spiritual Direction**, from an Ignatian perspective, in which discernment is essential.

Fr. David, who knew Mother Teresa, has been trained in Ignatian Spiritual Exercises and has been giving retreats to the Missionaries of Charity and other groups for many years. Our workshop will include formal presentations, fraternal prayer, and recreation. We will be guests of the Carmelites at their Sacred Heart Retreat House in Alhambra, next to the MC Contemplative Sisters. The workshop will begin at 6pm on Monday, Feb 17, and conclude at noon on Friday, February 21.

If you would like me to reserve a room for you (there will be some expense for room and meals), or desire more information, please email me by January 1. We have reserved 15 rooms with the Carmelites.

Yours sincerely in Christ,

Fr. Joseph Illo
